## 20 Yard Roll Off Box Agreement

By signing below, I agree to the following costs and stipulations in the use and service of the rented 20 Cubic Yard Box from the City of La Junta

The cost of a 20 yard box is \$281.00 for one service or every 30 days, whichever comes first. If this time period has exceeded, another fee of \$281.00 will be charged:

1. No more than 20,000 pounds of debris may be put into the box.
2. Any box weighing over 4 tons will be \$37.50 extra per ton.
3. All debris **MUST** be below the top inside rails of the box—this space is approximately 3” to 4”—there is **ABSOLUTELY NO OVER FILLING**.
4. The box must be accessible at time of requested or scheduled service. Only the City of La Junta crew will move the box.
5. **Please email Agreement to: [ljpermits@lajuntacolorado.org](mailto:ljpermits@lajuntacolorado.org), or call the Engineering Department for servicing at (719) 363-1242. The city may take up to 48 hours to service a box, not including a weekend.**
6. No metal shall be in a box unless the entire box is metal. Any other metal should be in a separate container.
7. Concrete and roofing material will only be allowed in a 20 cubic yard box:  
**Stipulations:** Concrete cannot be mixed in with trash, and must not exceed ½ the height of the 20 yard box.
8. Should the above stipulations not be met and it is necessary for city crews to manually dispose of or separate items, the responsible party for the box/dumpster will be charged at a rate of \$50 per hour. This fee may be charged with no prior notification.
9. Should debris be over the top inside rails of the box and the City Crew must reschedule another service time or date, the responsible party will be charged \$170.00 in addition to the regular service fee on the roll off box.
10. Should the responsible party damage the box by causing holes with debris or equipment or by fire, a charge for a new box will be assessed based on the current market rate.
11. Any damage to private property will be the responsibility of the property owner or party responsible for the 20 yard box.
